Lakeside Luxury Living Where architecture, scenery, and thoughtful design converge this lakefront retreat is a masterpiece of craftsmanship and comfort. With six spacious bedrooms and four baths, the home offers flexibility for every lifestyle. If you don't need all six, one of the upper bedrooms now serves beautifully as a home office adjoining the primary suite, while a lower-level bedroom functions perfectly as a home gym. Inside, you'll find an open floor plan with soaring vaulted ceilings, hardwood flooring, and plaster coated walls all enhanced by panoramic views of the main lake from nearly every room. The chef's kitchen is truly remarkable, offering Wolf appliances, Sub-Zero refrigeration, granite countertops, a prep sink, steamer, beverage cooler, and ice maker all surrounded by extensive custom cabinetry and built-in storage throughout. The primary suite is a true retreat, complete with a deep whirlpool tub and steam shower for the ultimate spa experience. Upstairs bedrooms feature double closets, offering generous storage and functionality. On the walkout lower level, you'll find a cozy fireplace in the family room, a home theatre with 120 screen, and two versatile bonus areas perfect for recreation, work, or hobbies. Large windows frame the serene lake views, creating an inviting space for relaxation or entertaining. Step outside and discover your private oasis, a beautifully landscaped yard leading to 150 feet of pristine lake.
